

Inclusion

To go to Him a true treasure
Seeking but the touch of His Hand;
Without a doubt He's always there,
Ready indeed to understand.

Proffered prayers to Him true delight
As one's heart owns a warming glow;
Then one's soul savors ecstasy,
A feeling one's being shall know.

Prayers of the righteous shall prevail
Against evil that's faced each day;
Without a doubt He is in charge,
And He's present leading the way.

As He offers a helping hand
In full measure He hears us all;
Inclusion His Loving Benchmark
A standard as he hears our call.
