

Assuredly

**Always present! Yes! Ever near;
He's at my side both day and night,
At morning's sun, at sunset's glow
He guides me onward with His Light.**

**Though rough times may see me falter,
Lose my sure footing carelessly,
He's always present! Yes, indeed!
He's at my side to rescue me.**

**Do I take advantage of Him?
A sinner, that much I do know.
But He is always forgiving,
My Lord, the One to whom I go.**

**I do love Him for His Presence;
I praise him for walking with me.
At my side He brings great comfort . . .
He's my Savior . . . assuredly!**
