

In Me He Dwells

He dwells within my heart;
He dwells within my soul.
Indeed, He reigns supreme;
In fact, He's in control.

My heart filled with wonder;
My soul unloosed and free.
Indeed, I sense His Love
Within the heart of me.

His Touch most wondrous thing;
Comes once, I wish for more.
I honor Him with praise;
And yes! There's more in store.

Soon! So soon His Coming;
Wondrous day that shall be!
Promised gift? Salvation . . .
His Final Gift to me.
