

My Eyes Fixed on You

Lord, teach me to wait patiently,
To bide time while Your Will is done;
Pray that I shall not envy, Lord,
Others' blessings at set of sun.

Do keep my eyes fixed on You, Lord,
My heart embracing Your Great Love;
That way I'll trust in Your Promise:
Eternity with You above.

Trusting in You is the answer
As with patience I make my way;
Your Pathway bright; You are The Light
With promise of Heaven's new day.

Now that I'm safely in Your Care,
Now that my heart and soul soar free,
Now that my eyes are fixed on you . . .
Lord, I have waited patiently.
