

## **In His Glory**

Stunning and dazzling His Glory  
Beyond which I can conceive;  
But I'll try to tell His Story . . .  
In Him I truly believe.

A million suns can't describe Him;  
Eternally shines his Light;  
That Light can never fade or dim . . .  
It's forever in my sight.

Beyond all time, beyond all space,  
He reigns, my Savior indeed;  
The True Epitome of Grace . . .  
He is all I'll ever need.

One day I shall see His Glory;  
What a wondrous prospect of  
Biding time, telling his Story . .  
True expressions of His Love.
