

Remaining in Your Love

You search my heart, and I know that
You award forgiveness to me.
You are The Fountain of Pure Love
And baptized there I am set free.

Without Your Love I shall wither;
The sun shall burn my heart and soul.
And I shall falter in my trek
And fail to reach a destined goal.

Once You have shared your Touch of Love,
By You I wish to be embraced;
Your Sweet Forgiveness granted me,
Sinfulness by blessings replaced.

Once more search my heart, Dearest Lord;
Cleanse my aching heart and my soul.
Walk with me by my side, I pray . . .
Remaining in Your Love my goal.
