

In The Area Of

Beside me now; I know He is,
For He is mine, and I am His.
His Grace I sense; His Love I feel,
For they're His Gifts, and they are real.

He's ever-near, right at my side,
My Loving Savior and my Guide.
True comfort in my times of need,
Presence uplifting, oh indeed!

Do I know it when he draws near?
Yes, I do! Every doubt and fear
Lose forceful voice and fade away,
And I am blessed with heartened day.

While He's in the area of
My heart and soul, I feel His Love;
I shall one day attain His Grace . . .
It's then I'll see His Godly Face.
