

Freedom's Choice

You are my salvation, Dear Lord;
You are the full source of my strength.
I praise you in thought, deed and word,
Remain in Your Care at great length.

You hear each word that comes from me;
You are observant of each deed.
You allow my thoughts to run free
Within my faith's scope of my creed.

With loving heart, You I proclaim,
Our Great Love I declare as true.
I honor You and Your Great Name,
My attempt to glorify You.

A wondrous gift, this freedom's choice;
My actions always in Your Sight.
Would that I own a singer's voice!
My thoughts, deeds and words would delight.
