

## Deep, Deep Within

Within the depths of my spirit  
I savor Your Warming Glow;  
When my heart and soul are near it,  
I thrive on its ebb and flow.

Oh, the comfort of Your Visit  
Restores, replenishes me;  
This wondrous moment . . . What is it?  
A moment that sets me free!

Both my heart and soul rejoice  
At Your being near at hand;  
As I hear Your calming voice,  
I know You will understand.

Deep, deep within my own being  
I know I'm a lowly clod;  
You're present without my seeing . . .  
I adore You, Dearest God..
