

Bonded In Faith

To serve You, Lord, my only goal,
My bonded faith with others who
Like me reach out with helping hands,
Proclaim undying love for You.

I strive for peaceful harmony;
I vie each day for state of calm;
To dwell within Your Realm of Love,
I find you and Your Healing Balm.

Again, Dear Lord, I wish to serve,
Before all men to laud Your Name;
To open my arms to souls lost,
Thereby Your Glory to proclaim.

Bonded in faith? A pleasant state
Where everyone can serve You, Lord;
My goal attained as I had hoped,
Undying love in sweet accord.
