

My Indeed Creed

Indeed! Indeed! I do love Him
When dark, dark days encroach, bedim
The very heart and soul of me ...
He is present to set me free.

Then come the days of lovely sun,
Again, He's there; He is The One
Who sets things right day after day ...
He is present to lead the way.

Without His Presence I could not
Make any gains with what I've got;
He promises eternity ...
His sacrifice as guaranty.

I do love Him! Indeed! Indeed!
On His Great Love I feed! I feed!
My very heart, my very soul ...
Bow low to Him; He's in control.
