

A Presence Tried and True

Around my heart, within my soul
A presence bides so tried and true;
By His Sweet Love I am embraced,
A love that keeps on coming through.

Uplifting is His Sweet Presence;
Rewarding the blessings He brings.
Surrounded by such ambiance
My heart, my soul His Presence sings.

Day after day I feel so blessed
To be noticed a small part of
This atmosphere of His Presence;
Indeed, the presence of His Love.

Within my soul, around my heart
I accept gifts awarded me;
And His Sweet Love and His Presence?
They both are there, and they are free.
