

Indeed, He Has Risen!

It is a special time indeed;
No earthly thing dares to compare.
Divine the essence of that day,
Even the gift He left man there.

Empty His Tomb before world's eyes;
Death erased as he conquered sin.
His Ascent wondrous on that day
Embracing hearts and souls of men.

Hail to the Power of His Name,
And praises for His Sacrifice.
Sin and death and the evil threats
Removed by Him, our Loving Christ.

I know He rose that grand, grand day;
See Him in His Glorious Flight!
Even in Heaven angels sang,
Noting the Glory of His Light.
