

## **I Shall Run to You, Oh Lord**

Dear Lord, rule in my daily life;  
Control my days, for I am weak.  
In trusting You I shall gain strength  
Through Your Words, the language You  
speak.

I have found, Dear Lord, when You're near,  
You build me up against all foes;  
And in Your Trust and in Your Care  
I am secure as my time goes.

Stay ever close to me, Dear Lord;  
Keep me on Your Path every day.  
So long ago You placed me there,  
And it is there I wish to stay.

I shall always run to You, Lord;  
Your Counsel shall be my true guide.  
I cannot go through life alone . . .  
I need You, Dear Lord, at my side.
